**Front**

Print out your Ploughshares Fund crane guide on your favorite paper (bright colors make for the best cranes.)
Cut it square.

1. Start with a square piece of paper, coloured side up.

Make sure you can read "PLOUGHSHARES FUND" on the top and bottom corners.
Fold in half so that the corners meet front to front and open. Then fold in half the other way.
2. Turn the paper over to the white side. Fold the paper in half, crease well and open, and then fold again in the other direction
3. Using the existing creases you have made, Bring the top 3 corners of the model down to the bottom corner so that the stars and circles meet. No new folds are created in this step. Flatten model

4. Fold top triangular flaps into the centre and unfold

5. Fold top of model downwards, crease well and unfold

6. Open the uppermost flap of the model, bringing it upwards and pressing the sides of the model inwards at the same time.
Flatten down, creasing well.

7. Turn model over and repeat Steps 4-6 on the other side.
8. Fold top flaps into the centre.
9. Repeat on other side.

10. Fold both 'legs' of model up, crease very well, then unfold.

11. Inside Reverse Fold the "legs" along the creases you just made.

12. Inside Reverse Fold one side to make a head, then fold down the wings
